ITINERARIES

WINTER 2021/2022

Dear Travel Advisor,

With the launch of our new winter 2021/2022 itineraries, we invite your clients with a passion for adventure to heed the call for a new season of discovery. As always, we've pushed boundaries to take travellers even deeper into all seven continents of the world. And rest assured, they will indulge their curiosity as if for the first time.

Year-round, our voyages capture authenticity in its purest form. As well as setting sail on our most extensive programme to date in Australia and New Zealand, our guests will venture into the beguiling cultures of Asia aboard three of our ultra-luxury ships, experience true exclusivity on small Caribbean islands, discover new ports of call in the Persian Gulf, explore the Amazon rainforest on a circumnavigation of South America aboard new ship Silver Dawn, and so much more.

Every voyage in our new collection will yield unique moments that will last in your clients' memories for a lifetime, unlocked in exceptional comfort and with local expertise. I look forward to welcoming them on board.

Warm regards,

Barbara Muckermann
Chief Marketing Officer

DISCOVER OUR WORLD

Welcome to a brand new season of sailing

Silversea is proud to introduce a brand new season of sailing, launching over 80 new voyages which will visit more than 200 different destinations across five continents, with eight maiden calls.

The new collection, spanning from October 2021 to April 2022, will see increased options in Australia and New Zealand with the addition of a second ship in the region, an extensive selection of sailings in Asia with more dates for the popular Japan in-depth itineraries and a variety of alternative routes in the Caribbean, with focus on small islands and exclusive harbours accessible only by smaller ships. Furthermore, the season will feature new options in the Indian Ocean and the Persian Gulf, together with a full circumnavigation of South America on the brand-new *Silver Dawn*, which will also include an unprecedented segment in the Amazon. Thirty new expedition cruises in the Galápagos Islands will be made available on board our new *Silver Origin*.

This new collection of voyages expands Silversea's offering in winter 2021/2022, in which we previously opened reservations for selected cruises in Antarctica and for the Tale of Tales 2022, our new World Cruise which will visit 69 destinations across 32 countries on board *Silver Whisper*, with departure on January 6th, 2022.

AUSTRALIA AND NEW ZEALAND

This season sees 12 voyages that sail from Sydney to Auckland, stopping off in urban cities and stunning scenery in between. Discover the jewels of the Java Sea, the remote islands of Melanesia or the beautiful New Zealand fjords in our most extensive down under programme to date.

ASIA

With three different ships in the region, our diverse itineraries promise the ultimate Asia experience. Travel on *Silver Muse* to see authentic Japan, discover deep history on Vietnam voyages or embark on an in-depth exploration of Indonesia and Papua New Guinea.

CARIBBEAN

With more than 7,000 islands to choose from, it's no wonder the Caribbean is one of our favourite destinations. Winter 2021-2022 sees us sail from tiny harbours in the east to iconic islands in the west, with new ports and overnights added for extra exclusivity.

INDIAN OCEAN

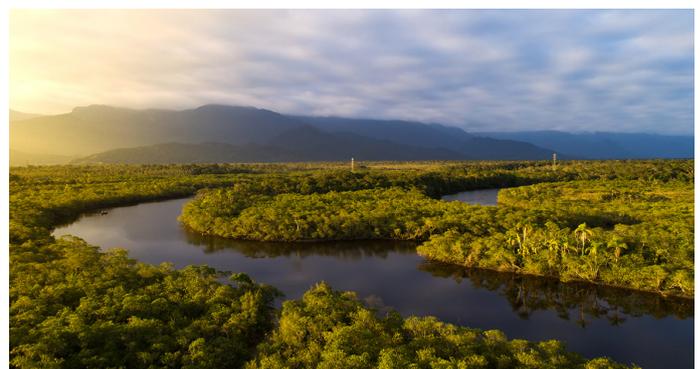

Silver Moon and *Silver Shadow* will travel around the Indian Ocean, sailing also the Middle East and Persian Gulf. Take in wonders such as Petra and Luxor. Enjoy long stays in Yangon, for a chance to see everything the city has to offer and the opportunity to explore the pearls of Myanmar inland.

SOUTH AMERICA

Silver Dawn will sail a full circumnavigation of South America this season. From glacial fjords in Chile, penguins in Argentina, exquisite gastronomy in Peru to an outstanding exploration of the Amazon River, there has never been a better time to discover South America.
