SEA CLOUD  
CRUISES

# RELAXATION BENEATH THE SAILS.

## Arrive, unwind, enjoy

Prepare to embark on both an exciting sailing cruise and a relaxed holiday: Our two tall ships SEA CLOUD and SEA CLOUD II combine the best of both worlds. Whilst our crew climbs high up into the masts to set the sails by hand, down on deck our service team treats guests to a first-class service. Our elegant, exclusive yachts are the perfect place to experience the seamless combination of ancient seafaring tradition and a luxury modern-day break.

## SEA CLOUD

A self-assured grande dame, a stylish yet informal sailing icon and a generous host – the **SEA CLOUD** is a living legend. Built as a private luxury yacht, this ship combines extravagant charm with an authentic tall ship experience.

## SEA CLOUD II

Who says you cannot have it all? The tall ship **SEA CLOUD II** brings together the best of two worlds: This spacious three-masted barque offers all the amenities of a modern cruise ship whilst remaining a quintessential windjammer.

PASSIONATE  
ABOUT SAILING.

**Truly authentic,  
truly romantic**

Tradition is kept alive on board the SEA CLOUD and SEA CLOUD II:  
On these ships, sailing is not just for show – it is a true craft. Every single manoeuvre marks a centuries-old ritual being brought to life. Hoisting the sails by hand takes almost an hour and makes for a fascinating spectacle each and every time – amazing both sailing novices and true enthusiasts again and again.

### Getting away from the daily grind

On board, only your body clock sets the rhythm, and it does not count seconds but beautiful moments. You can while away the day without a care and relax, enjoying the private yacht flair.

### Stylish and personal

Our crew of around 60 is there to ensure that all of our guests on board – a maximum of 94 travellers from all over the world – enjoy a unique cruise that is tailored to their needs. The private and casual atmosphere will make you feel like a guest at a close friend's house.

A large, rectangular daybed with thick blue cushions sits on a wooden deck. The deck is made of light-colored wood planks. In the background, the deep blue ocean stretches to the horizon under a clear sky. To the right, the complex rigging of a ship's mast is visible. On the daybed, there is a white towel, a small basket of fruit, and an open book. The overall atmosphere is one of luxury and relaxation.

ON A COURSE THAT FOCUSES  
ON THE EXCEPTIONAL.

### Moments of indulgence for your senses

It is the little, finer things in life that turn a cruise into an extraordinary experience. From the luxurious décor and the exquisite and creatively designed cuisine to our first-class service, on board the **SEA CLOUD** and the **SEA CLOUD II** we offer an exclusive holiday that is designed around you. Our entire crew takes great pleasure in treating every guest to a unique experience, and in exceeding expectations time and time again.

## Passion and enthusiasm

For our staff, life on board both of our windjammers is more than just a job. You will find passion and a sense of belonging wherever you go on our ship. Attentive and charming, every member of the crew strives to fulfil your personal wishes.

## The pinnacle of pleasure and comfort

Our very own five-star style is apparent in the tastefully furnished outside cabins, first-class cuisine and attentive yet unobtrusive service. From the welcoming champagne to the bed-time treat, many small gestures ensure that you will feel instantly at home on board.
